The ‘Spirit’ of Wally’s Legacy

Born from an idea hatched by a few civic-minded citizens, ‘The Spirit’ is the realization of the belief that Qu’Appelle needed an entertaining, clear, concise, unbiased reporting of Qu’Appelle’s news and information. This became part of the papers mission statement and still holds true today. With his experience and wealth of knowledge obtained through his employment at the Leader Post, Wally volunteered to be the main editor of the Spirit.

Wally was determined to insure the success of the good news paper, ‘The Qu'Appelle Spirit’. Often this meant spending some of his money to get it going, which included buying a computer, picking up paper or whatever was necessary. Wally truly loved Qu'Appelle and wanted every organization, business and activity recognized. His hopes were that this would encourage and promote the community spirit of Qu’Appelle. The first issue of ‘The Qu’Appelle Spirit’ was delivered free of charge to every household in Qu’Appelle on December 13, 2000.

Early 2002 the Spirit committee decided to set up an annual scholarship fund to be presented to a grade 12 student chosen to receive the “Spirit of Qu’Appelle Award”. This award would be won by a grade 12 recipient from Qu’Appelle attending Indian Head High School on the submission of an article themed “The Spirit of Qu’Appelle.”

Wally had a great love of trivia and often included "Did You Knows" in the early editions of the paper. Wally was not a historian but also felt that it was important to include the history of Qu’Appelle. Wally had a true passion for the interesting and fascinating. The paper was a true love of Wally’s and he didn’t give it up until he knew he was sick, he just didn’t know with what. Wally retired from the paper in September of 2004.

Seven years later the “Qu'Appelle Spirit" is now being published by a group of hard working volunteers with profits being donated to our Library. Due to Wally’s passion for literacy and the spirit of Qu’Appelle, our paper continues to be entertaining clear, concise, and an unbiased report of Qu’Appelle’s news and entertainment.

Administrator’s Message
Ah, February…the month of love and care. While it is quite easy to care for those who are around us all of the time, it is more difficult to empathize with the plight of others which have no daily effect on our lives. At JHS we work hard to embrace the concept of care among ourselves, our families, our school and our community, and we strive to do much more, too. We have consciously committed to being strong citizens of the world community and actively engage in plans to raise awareness and support for global problems and issues. Congratulations to our people for their present 2007-2008 contributions:

- Pennies for Leprosy – $44.00
- Terry Fox and Cancer Research – $1404.95
- Operation Christmas Child – 12 boxes (approx. $220.00)
- Compassion Canada – $225.00
- Regina Food Bank – approx 375 lbs

Soon our Jump Rope for Heart Campaign begins in support of the Heart and Stroke Foundation, and as well a Multiple Sclerosis reading campaign will begin in the spring. There is no doubt about it, our hearts are strong! Thank you for supporting such worthy causes and for helping our students to become contributing citizens of the world.

January in Review
- Collecting food items and building food structures had our school families participating in fun and supporting the food bank on Jan. 23.
- The weather man was smiling down upon us as our grades 6-9 students had a great day of skiing at Asessippi on Jan. 27.
- Who is the teacher and who is the student? Yep, Role Reversal Spirit Day had people all mixed up! Lots of zany fun was had by all who participated.
- JHS Drama is gearing up again. Thirty members strong the play is called Twinderella and promises to be entertaining. Watch for the production date in the spring.
- For the winter months, Games Club is keeping our middle level students busy during the noon hour. Pictionary, Speed Scrabble, charades and various card games are some of the challenges engaging those who wish.
- Congratulations to Kaleb Bartley whose book mark won PVSD’s, A Time to Read contest. It’s time to read, Kaleb….you won a gift certificate to the Book and Brier Patch.

Thank-you
Whenever we’ve needed support, the Qu’Appelle Lions have been there for us. Recently, the Lions purchased new chairs for the hall, and they donated their old chairs to our school. Gone are the days of hauling! A great big Lions’ roar for the Qu’Appelle Lions!

Popular in Asian restaurants, lettuce wraps can hold just about any filling. The best part is, no matter what you put in them, your child’s meal is guaranteed to include a green veggie!

You’ll need:

- 1 cup chopped tomato
- ½ cup reduced fat Caesar salad dressing
- ¼ cup parmesan cheese
- 4 large lettuce leaves

In a bowl, combine chicken and tomatoes. Place on lettuce. Top with dressing and a sprinkle of cheese, and roll it up. – Yum, yum!!

Awesome News from the Qu’Appelle District Volunteer Fire & First Responder Department

Thanks to the generosity of Qu’Appelle area municipalities, financial institution, volunteer groups and individual community member donations we need to raise only $234.79 more, to pay for our new updated Automated External Defibrillator (AED). Thank you all so much.

We are also happy to announce that there will be five new First Responders to add to our roster, upon completing their training in March of this year. Thank you to them for their commitment of time to take the course and their future volunteer service. A few of our present First Responders began their recertification process at the end of January by attending the Moose Jaw First Responder Development/Recert 2008 Conference.

Our organization has two certified CPR/AED instructors. If you or someone you know would like to take a CPR course contact Ron 699-2950 or Jeannie 699-2814 to set something up.

The Fire & First Responder Department is planning to hold an Open House this spring (date and time to be announced) for interested community members to come and check us out and maybe talk about joining or just learning about what is involved in being a member of this organization. Watch for more details.

Thanks Qu’Appelle District!

Instructor Doug Parker showed everyone what they would learn when beginning karate, and even taught them a few words in Japanese! The evening wrapped up with Karate Club members demonstrating their skills for the visitors.

**RCMP Seniors’ Guidebook to Safety and Security**

**SAFETY IN YOUR HOME**

For the majority of people, a feeling of security is found in the safety of their homes. However, many Canadians fail to take even fundamental precautions to secure their homes against robbery.

There are a number of precautions you can take that will reduce the opportunities that a burglar is looking for.

**PREVENTION TIPS**

1. Conduct a security check of your home to determine possible entry points and any weaknesses they may have.
2. Keep all entrances and garages well-lit at night.
3. Do not leave tell-tale signs that you are away.
4. Install good locks and always use them.
5. Install a wide-angle door viewer which permits you to see callers before you open the door.
6. Never open a door to strangers without credentials.
7. Change your routine often. Burglars can operate on your routine!
8. Do not keep large amounts of money in your home.
9. Mark valuable items for identification. The Operation Identification program has been developed by police to assist people in marking their property.
10. Keep valuables in a safety deposit box at your bank. If this is not possible, keep them locked up in a reasonable hiding place in your home.

**FACTS AND FICTION**

The portrayal of a burglar as a sinister thief operating at night, a handkerchief over his face, coat collar turned up and a peaked cap on his head is misleading and inaccurate.

Statistics indicated that the thief will most probably be one of the male youths in the neighbourhood, usually under 30 and most likely a teenager.

He may be well dressed, wearing a recognizable uniform or a suit jacket.

It will more than likely be broad daylight.

The typical burglar does not want to harm you, just get into your home, steal what is available and valuable, and get out as quickly as possible, unobserved.
Bell Barn Sign

On a very cold day, shortly before Christmas, some hardy members of the Bell Barn Society braved the elements and put up the Historic Bell Barn sign that can now be seen along highway #56, on the north side of Indian Head.

The Bell Barn Society plans to dismantle the Barn, relocate it on a proper foundation in the original Bell farmyard, and rebuild it as a heritage and tourist site.

The sign is located near the entrance to the new site. It provides contact information and is intended to keep people informed as to the progress of fund-raising efforts. When the goal of the campaign has been reached, the bottom half of the sign will be removed. Until then, no stone will be left unturned!

**Book Bag News**

The Qu’Appelle Branch Library Book Club The “Book Bags” met on January 7th to discuss Chill Factor by Sandra Brown. Chill Factor was a murder suspense thriller that kept all the readers on their toes and guessing until the very end. The next book bag meeting will occur February 7th @ 7p.m to discuss the novel they are currently reading “Driving Over Lemons” by Chris Stewart.

**Driving Over Lemons – Chris Stewart:**

*Driving Over Lemons* is that rare thing: a funny, insightful book that charms you from the first page to the last...and one that makes running a peasant farm in Spain seem like a distinctly good move. Chris transports us to Las Alpujarras, an oddball region south of Granada, and into a series of misadventures with an engaging mix of peasant farmers and shepherds, New Age travellers and ex-pats. The hero of the piece, however, is the farm that he and Ana bought, El Valero - a patch of mountain studded with olive, almond and lemon groves, sited on the wrong side of a river, with no access road, water supply or electricity. Could life offer much better than that?

"An idyllic life in a remote, sunny part of Europe is a fantasy normally punctured by harsh realities, and abandoned. Chris is made of sterner stuff. *Driving Over Lemons* is a wonderful account of his Andalucian adventure" - Peter Gabriel.

*The Book Bags Book Club is always open to new readers. If you would like to be a part of a monthly book discussion and reader group simply attend the next meeting Feb. 7th @ 7p.m.*

Troy Nursery School

Following the preschool registration that occurred on Wednesday January 9th there are a total of eleven smiley-faced preschool children enrolled into our wonderful preschool program! Troy Nursery School would like to welcome Nicholas, Jordan and Lane to our class…and of course welcome back Caitlyn, Myranda, Quinn, Carter, Jake, Amy, Bailey and Danielle from their long winters nap over the Christmas holidays!

Well our preschool children were all very well rested and ready to travel the globe when they arrived at preschool on January 17th. First we traveled to North America and learned about where we live in Canada as well as different cultures that exist in Canada such as the Inuit. Then we traveled south down to the United States and Mexico. Next we went even further south to South America. In South America we stopped at Brazil, home to the largest rainforest in the world not to mention thousands of colourful birds, insects, wild animals and towering trees.

Then we traveled across the Atlantic Ocean to Africa. On our travels we saw the oldest active volcano …Mount Kilimanjaro, cruised the Nile through Egypt and then went on a safari in Kenya seeing all kinds of animals like lions, zebra, giraffes and elephants.

After Africa we stopped briefly in Europe to watch a Bull fight in Spain. Then we quickly went on our way to the world’s largest continent and home to the most people in the entire world…Asia. In Asia we visited the giant Panda, the great wall of China and the Taj Mahal.

Our final destination in our trip around the world was Australia. The national symbol for Australia is the kangaroo, which we seen quite a few of during our stay. We also visited the Great Barrier Reef which is the world’s largest coral reef system, composed of roughly 3,000 individual reefs and 900 islands stretching for 2,600 kilometres. The reef is located in the Coral Sea, off the coast of Queensland in northeast Australia. The Great Barrier Reef can be seen from outer space and is the world’s biggest single structure made by living organisms. The Great Barrier Reef is home to a wide diversity of life and has been labelled one of the seven natural wonders of the world.

We seen so many things this past month…it is hard to believe how much more there is to see in the world!!

For the month of February we will be covering a unit on nutrition. Learning how to eat smart for our hearts! We will also be celebrating the colours red and pink and having a Valentines Day Party with yummy snacks, games, and crafts!
Twelve people attended our second Hand & Foot Canasta evening was held on January 14. The evening was fun and the lunch that followed was plentiful. Our next evening will be February 12th. Keep this evening open and join us for an enjoyable evening.

A potluck supper with bingo to follow is scheduled for Friday, February 15th starting at 5:30 pm. Hope to see the people that enjoy bingo for an evening!

The One Stroke Painting, Dance & Exercise and Creative Writing classes are now filled and start on February 1st. The computer classes start on February 5th and are also filled.

The Welcome Wagon packages are now nearly completed and will be given to three newcomers in Qu’Appelle in the very near future. The people who have moved into Qu’Appelle in the month of January are as follows: Brigette & Lee Mulvay, John Mattern and Johnathon Yanush. The Town of Qu’Appelle welcomes you all.
